

Flower Baskets are BACK!

Delivery will be during the week of May 3rd, just in time for Mother's Day.

All baskets arrive in 10 inch hanging baskets. The flowers will continue to grow and bloom and will even fill out larger baskets if they are transplanted. Plants from the baskets can also be taken out and planted in the garden or other containers. There are three types of baskets to choose from:

Mixed Sun Baskets: The mixed sun baskets have six plants in each pot. The plants have been chosen over the last few years because they are tough, easy to care for and beautiful. This includes several of the new "Proven Winners" series of plants.

Mixed Shade Basket: The mixed shade baskets are made just like the sun baskets only with shade loving plants.

Wave Petunia Baskets: Wave petunias are an exciting petunia that grow like crazy and are very easy to care for. Both the Wave and Double Wave varieties are available in the colours are listed below
