*August 15th, 2017*

School District No. 6 (Rocky Mountain)  
Transportation Services  
2017/2018

School District No. 6 (Rocky Mountain) welcomes you back for the 2017/2018 school year.

Please check the bus route schedule closely to determine where and when your child will be picked up. If your child is registered on a bus they are occupying a space that could be available to someone else, so they are encouraged to use the service.

For your reference a copy of the School Board Policy 3600 “**Transportation of Students on Regular School Bus Routes**” has been posted on the School District Operations Department Website. Included in this Policy are definitions of rider eligibility, procedures to follow to request transportation, and the guidelines that are used when requests are considered.

*Please be reminded that requests for a “Courtesy or Cross Boundary Transportation” must be submitted each year. Although every effort is made to expedite processing, these requests may not be processed until the end of September. Until processing is complete and approval has been given, parents are responsible for transporting their child/children to school.*

All students using the school bus for transportation to and from school must be registered. It is the National Safety Code’s mandate that all passengers on the school bus are accounted for, so please complete the bus registration form that your child has brought home and return it to the bus driver by **September 15th, 2017**.

The current bus pass system will continue to ensure that regular registered bus students are given first priority for riding the school bus and to account for all passengers on every school bus each day.

Students requiring a bus pass will be students that are not registered bus students, students that are requesting to ride a different bus than the one that they are registered on, or students wishing to get off at a different bus stop other than their regular one. Parents/Guardians must advise the school either in written form or by the telephone when requesting a bus pass for their child.

Bus passes will only be handed out if there is room for guest riders - registered bus students have first priority for riding the school bus.

If you have any questions, please do not hesitate to contact us.

Brian Nickurak  
Operations Supervisor
