

SUPPORTING SUCCESS

- All employees in School District No. 6 prepare an annual **Personal Professional Growth Plan**.
- **Staff Development** to support the achievement of District Goals is jointly planned by a committee representing teachers, CUPE staff, excluded staff, principals, vice-principals and district administrators.
- School Teams plan their **School Staff Development** to support achievement of school goals.
- School District No. 6 works in partnership with the six Kootenay/Boundary school districts to provide support in **Learning Leadership**.
- The **Operations Department** enhances the learning environment by transporting students safely and efficiently, and by keeping buildings, grounds and equipment safe, clean and in good condition.
- The **Aboriginal Enhancement Agreement** has been completed as a draft document by a partnership group comprised of the Aboriginal Community, School District No. 6 Staff and Trustees. The goals in the Enhancement Agreement are focused on improved learning for all students of Aboriginal ancestry.

VISION

Our quest for quality in education will develop inquisitive, productive and responsible lifelong learners and leaders, and will build mutual respect and appreciation among students, staff and communities of Rocky Mountain School District.

MISSION

The purpose of the British Columbia school system is to enable learners to develop their individual potential and to acquire the knowledge, skills and attitudes needed to contribute to a healthy society and a prosperous and sustainable economy.

GUIDING PRINCIPLES

We pledge, as individuals and as an organization, to demonstrate....

- A commitment to education and the development of responsible learners;
- Competent professionalism as we strive for best practice;
- Integrity and trustworthiness;
- Respect, fairness and caring;
- Collaboration and open communication;
- An enthusiastic, innovative and entrepreneurial approach;
- Prudent risk-taking and thoughtful leadership;
- A commitment to quality results.

“We will care deeply, act wisely, and find joy in each day.”

DISTRICT DIRECTIONS 2013

- Build and maintain a culture of shared values and understanding consistent with our Vision, Mission and Guiding Principles.
- Acknowledged as an innovative and responsive educational leader embraced by students and parents.
- Recognized as the employer of choice.
- Practice environmental stewardship.
- Maintain healthy lifestyles by expanding initiatives to support students, staff and our partners.
- Work with community partners to develop mutually beneficial educational opportunities.
