3. Evaluation and Assessment

3.1 The learning outcomes for a student's program will be contained in a student's Individual Education Plan (IEP) under the "Annual Goal and Objectives". The case manager and/or the classroom teacher will develop those learning outcomes for the IEP, and they will be scheduled and reported as individualized Locally Developed (LD) courses.

3.2 Schools must issue marks in a manner consistent with the Provincial Letter Grade Order. In some courses, students on school completion programs will be evaluated using standards established for other students. In Locally Developed courses, marks will be based on appropriate measures of individualized progress.

3.3 Schools shall maintain appropriate records in the British Columbia enterprise Student Information System (BCeSIS), including the entering of marks in the Transcript and Examination system (TRAX) in order to allow the Ministry of Education to prepare an Evergreen School Completion Certificate and a School Transcript for authorized signatures and distribution. The transcript should reflect progress on Ministry Authorized courses and/or Locally Developed (LD) courses.

4. Administrative Procedures

4.1 Schools must ensure:

- That any student who is deemed to be on a program other than one that leads to a Dogwood Graduation Certificate must have an Individual Education Plan (IEP) and that IEP must meet requirements as outlined in Ministerial Orders, Ministerial Regulations, and the School Act. The IEP must clearly indicate that the program of studies will not lead to a Dogwood Graduation Certificate.
- That appropriate supports are in place to meet the requirements of the educational program that is developed for the IEP;
- That parents and/or guardians and, where appropriate, the student are included in the development and ongoing assessment of the IEP;
- That parents and/or guardians acknowledge that the student will be on an Evergreen Certificate pathway by signing a letter to that effect as soon as possible after a decision is made (see Appendix 1);
- That progress on the educational program developed for every student shall be reported on a regular basis (goal progress reports twice a year);
- That reporting processes are in place to enable the Ministry of Education to issue an Evergreen School Completion Certificate and a Student Transcript to students who are not on a Dogwood Graduation program.
