Windermere, BC V0B 2L2

### Student School Supply Order 2011/2012

School supplies for 2011/2012 will be streamlined for students, teachers and parents. In our effort to eliminate unnecessary waste, consolidate supplies for each classroom and recycle gently used or new items, we will be ordering school supplies in bulk again this year. How the system works:

- each teacher has taken an inventory of supplies in his/her classroom that will be carried over to next year
- each teacher placed an order for his/her classroom deducting those items that can be carried over
- new supplies will be delivered to the school in late August
- the cost includes \$10 for student planners
- if you have any questions, please call PAC spokesperson, Andrea Dunlop at 250-342-3271 or the school at 250-342-6640
- if you require financial assistance, please submit a letter to Mr. Bentley

#### Cost for Student School Supplies by Grade:

Supplies for : \_\_\_\_\_  
(name of student/students)
