2. The above permission is also required if the student travels to interviews before the work study/work experience program agreement is signed.
3. This district practice does not authorize students to transport other students to work experience activities.
4. Parents have the responsibility to provide for, monitor and approve transportation for their children.
5. Special notice should be given to students with special needs and travel arrangements and supervision should reflect those students' needs.
6. A vehicle used by a student must have a minimum of \$1,000,000 third party liability insurance and must be in good working order.

Note: WorkSafe BC insurance does not cover student travel from home to the work site but covers travel from school to the work site and back.
