

POLICY 9000
PARENT ADVISORY COUNCIL

POLICY:

The Board of Education believes that opportunities for children to develop to their fullest potential will be enhanced by increasing and improving the involvement of parents and members of the general public in schools.

Therefore, The Board of Education strongly encourages the formation of Parents' Advisory Councils whose purpose shall be to provide a regular opportunity for each school and its community to consult on issues of general interest which affect the education of children, including the annual School Plan for Student Success.
